Production Alert: Highway 1 – California Central-Coast Counties Summer Film Restrictions

The California Department of Transportation (Caltrans) has posted its annual summertime restrictions on any filming activities that include traffic control on Highway 1 in San Luis Obispo and Monterey Counties between Carpoforo Creek (SLO County mile marker 1-71.3) and San Jose Creek (Monterey County mile marker 1-71.2) near Carmel Highlands. The restricted area includes the Bixby Bridge. Prohibited during this time period are all film requests for intermittent traffic control (ITC), rolling breaks or lane closures.

This restriction begins on **Thursday, May 24**, and will remain in effect until the day after Labor Day, **September 4, 2012**. Any deviation from the prohibition would require both a formal resolution by the Monterey County Board of Supervisors and concurrence from the Caltrans District 5 Traffic Manager.

Please call the Caltrans permit coordinator, David Booth, at the California Film Commission at 323.860.2960 extension104 or Steve Senet, Caltrans District 5 Permit Engineer at 805.549.3206 with any questions or comments.
